

Assignment: Research a Career

- I. Choose a career you are thinking of entering (fashion designer, architect, carpenter, nurse, respiratory therapist, etc.)**

Search for this career in the Occupational Outlook Handbook at <https://www.bls.gov/ooh/>

CAREER _____

Read about the career. List three things you learned about this career.

- 1.
- 2.
- 3.

- II. Next, scroll down the Occupation Outlook Handbook entry, until you find the section “Related Occupations”**

Select a related career you might be interested in (for example, if you selected “fashion designer” initially, one related career listed is “photographer.” Click on the link to the related career and read about it.

RELATED CAREER _____

List three things you learned about this related career.

- 1.
- 2.
- 3.

- III. After reading about these two careers, which of the two careers sounds better to you? Which one would you prefer? Explain why.**
